Financial Policy, Billing Procedures, Card on File Policy

Insurance & Billing Procedures:

Lomibao Rheumatology & Wellness Care, PLLC (“the practice”) is participating with Medicare and many commercial insurances. If you have coverage with Medicare and/or one of the commercial insurance carriers that we participate in, we will file your claim directly to your insurance carrier or Medicare for reimbursement. The practice’s participation with insurance carriers is subject to change without notice.

As a courtesy, the practice will contact your insurance carrier to verify your benefits and/or necessary authorizations prior to your visit. Please be aware, this is only “a QUOTE of Benefits/Authorizations.” **The practice cannot guarantee that your insurance carrier will provide us accurate or complete information regarding in or out of network status, reimbursement, or verify that definite eligibility of benefits.** Payment of benefits are subject to all terms, conditions, and exclusions of the member’s contract at the time of service. **In the event that YOUR INSURANCE PROVIDER DOES NOT COVER services rendered for any reason, YOU WILL STILL REMAIN RESPONSIBLE TO PAY FOR ALL SERVICES RENDERED.**

If your insurance carrier requires you to have a referral from your PCP, it is your responsibility to ensure that the referral information and referral number is received by this office from your PCP prior to your visit.

We accept all major credit cards, FSA/HSA cards, Apple Pay, Google Pay, electronic check, cash, personal checks. **Payment IN FULL of all estimated out-of-pocket expenses (co-pays, deductible, co-insurance, etc.) is REQUIRED AT THE TIME OF SERVICE AT CHECK-IN.** Please come prepared to make payment of these amounts. Your insurance policy is a contract between you and your insurance carrier. The ultimate responsibility for payment of services rendered rests with you, the patient or guarantor. **There is a \$30 declined transaction/returned check fee for every declined transaction/returned check.**

If we are not in your insurance network or if you have no insurance, we will expect payment in full at the time of service. **All charges may be subject to change without notice,** thus please contact our office for our current fee schedule prior to all visits so that you are prepared to make payment in full of these amounts.

Lomibao Rheumatology & Wellness Care, PLLC is **NOT A MEDICAID participating** provider and **DOES NOT DO WORKER’S COMPENSATION cases and DOES NOT FILL OUT DISABILITY FORMS of any kind.**

Card On File - A Better Billing Experience for You:

We have implemented a billing policy in order to deliver a more convenient and consistent payment experience to our patients. **Our policy requires a card to be held on file for all patients. To avoid any issues of discrimination or favoritism; all patients who chose to receive care at our practice are required to have a card on file regardless of insurance, private pay, or visit type.** Card On File is the new standard in the healthcare industry nationwide, and soon all high quality medical practices will adopt it. This is the same process as reserving a hotel or renting a car.

Our practice is committed to reducing waste and inefficiency and making our billing process as simple and easy as possible. The card on file system drives down administrative costs as we will now spend less time entering card information for each transaction. Once your card is in the system, check-in and check-out time is much shorter for you as well.

Q: How much are you going to charge my card on file?

A: When you check in, you will be charged the amount that your insurance plan determines is your co-pay and any balance owed after the insurance benefit has been applied.

Q: Will you send me a statement to let me know what I owe?

A: After your appointment, you will receive an explanation of benefits (EOB) from your insurance company that confirms your patient responsibility. We receive the same letter within 7-30 days following your appointment. We review each EOB carefully and mail your statement for your patient responsibility due.

Q: What happens if I do not have a credit or debit card?

A: If you do not have a credit or debit card, we can accept a \$250 deposit at check-in before your appointment.

Q: What happens if I need to dispute my bill?

A: Your statement will have an itemized list of charges that are your patient responsibility due after your insurance benefit has been applied.

Q: I do not have a deductible and/or I have dual plans. I will never owe anything. Do I still need to give you a card?

A: Due to the complexity of health plans, patients are not always aware of a payment responsibility. Additionally, changes to health plans happen often, which can make you responsible for payments without your knowledge. So we are requiring all patients to save a card on file to ensure we are prepared in the event they do have a payment responsibility.

Q: I've always paid my bills on time. Why do I have to give you a card?

A: To be fair and consistent to all of our patients, we are implementing the policy to all patients who seek care at our practice.

We are committed to security, which is why we exclusively use HIPAA compliant encrypted card processor called InstaMed, which is a JP Morgan Chase bank subsidiary that exclusively handles medical industry transactions. The practice securely stores credit and debit cards on file with InstaMed to streamline processes working with patients, as described above. Your card is NOT charged when it is added to the platform, only when there is a patient responsibility that is owed.

InstaMed is healthcare's most trusted payments network, and unmatched when it comes to security and compliance. InstaMed is a Payment Card Industry Data Security Standard (PCI DSS) Level One v3.2 Service Provider, as well as EMV and HITRUST certified. InstaMed was the first in healthcare to be PCI-validated for P2PE v2.0, which is a methodology for securing credit card data by encrypting it from the time a card is swiped or keyed until it reaches a secure endpoint (InstaMed) where it is decrypted.

Appointment Confirmation Policies

Appointment Confirmation:

You will receive a text/phone reminder **one (1) week and two (2) days prior** to your scheduled appointment. It is **imperative to confirm that you are coming to your appointment**, or we will assume you will not show up and your appointment time may be offered to another patient.

New Patient Preparation:

Please review how to prepare for your first appointment in the FAQ section of our website lomibaorheumatology.com.

Arrival to Clinic:

We request that **new patients arrive twenty (20) minutes prior** to appointment time and **established patients arrive ten (10) minutes prior** to appointment time, to allow for any unforeseen issues such as insurance verification, address change, etc. to be addressed at check-in. This will also enable you to have enough time to be triaged by the Medical Assistant (MA) to then start your visit with the doctor at the start of your appointment time.

Late Arrivals:

In order to provide the best care possible for all patients, we do strive to run the clinic in a timely fashion and respect your time, and we ask that you respect our time too. **We reserve the right to reschedule an appointment if a patient arrives (ie. standing at the check-in window) 15 or more minutes late for a new patient appointment**, or 10 or more minutes late for a follow-up appointment. We strive to be fair to those who show up early and on time. If the next patient scheduled after you shows up before you, they will be seen first.

Cancellations/Rescheduling & No Show's:

If you are unable to come for your appointment for any reason, we must have **24 business hours** in advance of the cancellation/rescheduling. (Note that we are closed Thanksgiving Day, Christmas Day, New Years Day, Memorial Day, Independence Day, Labor Day, so these do not count as a business day.) For example, you must provide notice on a Friday at 9AM to cancel for a Monday 9AM appointment. This is the fairest way to allow another patient the chance to be offered your appointment time.

Failure to provide this advance notice as described above and those who do not show up for their appointment will incur a **No Show Fee for \$100 for New Patient and \$50 for Established Patient** as this is time lost that another patient could have used. No Show fees are not reimbursable through insurance, and subject to change without notice. **No Show fees WILL NOT BE REFUNDED for any reason, as this is a non-recoverable loss of appointment time that would have been offered to another patient.**

By signing below, I hereby acknowledge that I have received, reviewed, understand and agree to all of the above.
